NATUZZI ITALIA

Inspiration creates new realities as hands turn form to matter and harmony takes shape in one of the world’s leading luxury furniture company’s elegant 2018 Total Harmony Collection.

TEXT BY KIM MOSLEY

Every choice is guided by harmony, the fruit of almost 60 years of Natuzzi’s development, improvement and renewal in search of elegance, beauty and true quality. From humble beginnings in 1959 to becoming one of the largest home furnishings manufacturers in the world, Natuzzi has been on the cutting edge of creating new designs for the industry to follow. Natuzzi Italia, the brand’s luxury division, offers the elegant 2018 Total Harmony collection — a large selection of furnishings all made in Italy by some of the world’s most talented artisans.

In place at the Natuzzi Italia Naples stunning 5,900-square-foot showroom, and seven additional showrooms throughout Florida, dedicated teams of professionals are ready to offer an exciting perspective on Total Harmony for the home. For information, call 239/529-3397 or visit www.natuzzi.us.
